DIRECTIONS:

Mustache Photo Prop

1. Paint Handlebar Mustache Photo Booth Shape solid black and one Photo Booth Handle solid pink. Allow to dry.
2. Glue top of handle to backside corner of mustache. Allow glue to dry before use.

Glasses Photo Prop

1. Paint Nerd Glasses Photo Booth Shape solid black and Photo Booth Handle solid mint. Allow to dry.
2. Glue top of handle to backside corner of glasses. Allow glue to dry before use.

Top Hat Photo Prop

1. Paint Top Hat Photo Booth Shape solid black and one Photo Booth Handle solid red. Allow to dry.
2. Print out the provided template for this shape. Working on the wrong side of the paper, rub chalk on the paper so that it covers all parts of the design.
3. Flip paper back over so the right side is facing up and place in center of Photo Booth Shape.
4. Using a pen or pencil, outline and trace the lines thus transferring the chalk on the back of the paper onto the top hat shape. Shake off any excess chalk so there is a light guideline to paint the design.

5. Paint the band across the hat with red paint. Paint the highlights with white paint. Allow to dry.
6. Using a detail paintbrush, mix white and red paint and make small quick brushstrokes to create a featherlike embellishment on the right side of the hatband. Use photo as reference.
7. Glue top of Photo Booth Handle to backside corner of hat. Allow glue to dry before use.

Beer Mug Photo Prop

1. Paint mug shape with yellow acrylic paint. Paint one Photo Booth Handle with medium gray paint. Allow to dry.
2. Print out the provided template for this shape. Working on the wrong side of the paper, rub chalk on the paper so that it covers all parts of the design.
3. Flip paper back over so the right side is facing up and place in center of Photo Booth Shape.
4. Using a pen or pencil, outline and trace the lines thus transferring the chalk on the back of the paper onto the mug shape. Shake off any excess chalk so there is a light guideline to paint the design.
5. Paint the top (the "open" part) and the handle of the mug light gray. Allow to dry.
6. Use white paint to softly paint over the light gray and to create highlight lines and bubbly foam shapes. Use photo as reference.
7. Mix orange and yellow acrylic paint, and use it to outline and shade the rest of the mug.
8. Using the detail paintbrush, paint white bubbles and black "cheers." Allow to dry.
9. Glue top of Photo Booth Handle to backside edge of mug. Allow glue to dry before use.

Crown Photo Prop
