# Craft with Jo-Ann

### SUPPLIES & TOOLS:

- Cork board
- Sparkle burlap
- Red twine
- Blonde fur
- Glitter spray
- Hot glue gun & glue sticks
- Scissors
- Glitter mini clothes pins

### DIRECTIONS:

1. Place the corkboard face down onto the glitter burlap. Cut around the edge, leaving enough excess to wrap around, and secure on the back.
2. Glue the burlap along the back edge of one side of the corkboard. Then turn the board to work on the opposite side. Pull the fabric taut and glue in place. Ensure the fabric is tight by working on the sides across from each other, rather than working around. Continue until all sides are glued in place. At the corners, fold the fabric like a present creating clean lines and secure on the back with glue.
3. On the top and bottom edge measure and mark with a pencil: (5" / 1" / 5" / 1"). These will be the points for where the twine will be glued in place on the back. Run three twine pieces from bottom to top slanting to the right and three twine pieces slanting to the left. There should always be 6" between each string running on the slant.
4. Once the twine is in place, spray over the entire board with glitter spray to add even more shimmer to the burlap. Use in a well ventilated area and follow directions on the can for use.
5. Cut 1" round piece of burlap and fur. Glue the fur onto the burlap base. Glue two rows of twine around the outer edge and cut off any excess. Repeat until there are 5 fur dot embellishments.
6. Glue 1 fur circle embellishment at each intersection point with hot glue.
7. Add mini glitter clothespins to secure pictures and notes to the message board.
