BRAS & BRA CUPS

Choose a cup style that works with your garment; then choose your cup size.

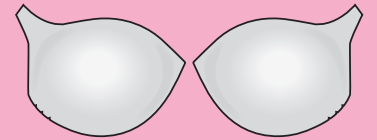

SEW-IN BIKINI BRA

- Sew into swimwear, halters & dresses.
- Trim the cups to fit the exact shape of your garment

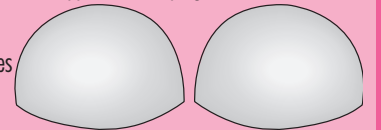

SOFT MOLDED BRA CUPS

- Provide soft shaping to swimwear & formal wear
- Tack into place

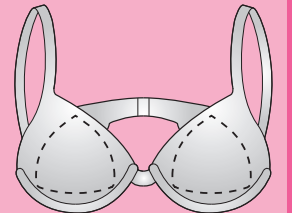

MOLDED FOAM BRA CUPS

- These cups provide firm support and shaping.
- Sew into swimwear, dresses and formalwear

PUSH-UP BRA CUPS

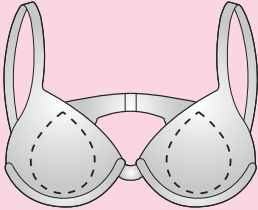

- Full-size cups really form & re-shape the bust line.
- Simply insert into your bra

DRITZ® INSERTS & GEL CUPS add a bit of enhancement easily with a look that's very natural. Enhancers are designed to fit into your bra or in addition to cups that are attached to the garment. They're removable so you can use them again and again with a variety of garments.

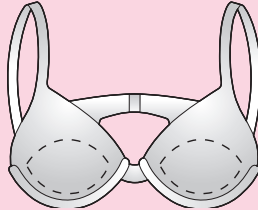

TEARDROP:

Fits inside the bra to naturally firm & shape the bust line.

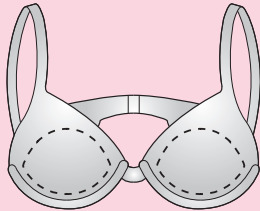

PUSH-UP:

Enhancer with push-up feature to lift, shape & firm the bust line.

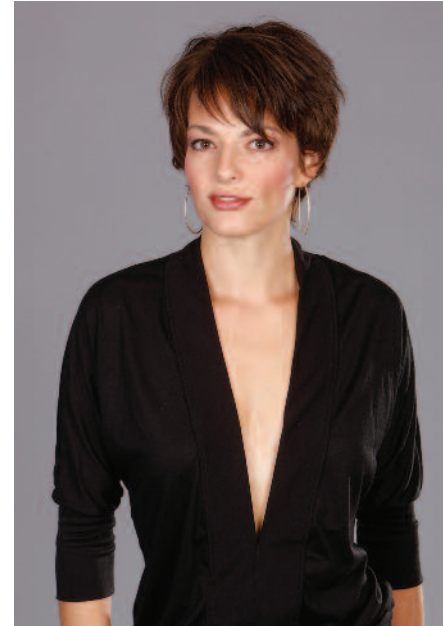

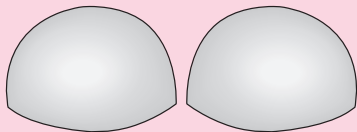

FULL SIZE:

Large enhancer fits inside your bra to firm the bust line.

MOLDED GEL-FILLED BRA CUPS

- Add these cups to swimwear, dresses & formalwear for firm, comfortable support
- Tack in place, or simply position inside your bra or garment for a comfortable fit

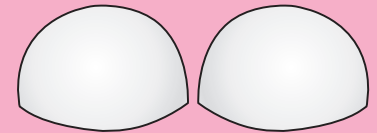

ADHESIVE CUPS & BRAS
