No matter what your challenge, the Dritz® adhesives collection provides a solution. The Dritz® adhesives family includes Liquid Stitch™ glues, Fray Check™ seam sealant, iron-on and double-stick tapes and a temporary spray adhesive. Each product is designed for fabric with a specific end use in mind.

**LIQUID STITCH™** glues can also be used for quick hems. Use ORIGINAL formula for machine washable & dryable fabrics. Use LIQUID STITCH™ DRY CLEANABLE formula for dry-clean only items, such as draperies.

**STITCH WITCHERY®** fusible bonding web permanently bonds two layers of fabric together with the heat of an iron.
- Create hems in garments and home decor projects
- Make no-sew straps & belts, apply ribbon & trim
- Machine wash and dry; also dry-cleanable
- Available in black and white; white available in 3 weights

**LIQUID STITCH™** glues can also be used for quick hems. Use ORIGINAL formula for machine washable & dryerable fabrics. Use LIQUID STITCH™ DRY CLEANABLE formula for dry-clean only items, such as draperies.

**TIP:** For hem fixes on-the-go, double-sided **Res-Q Tape™** provides an easy, temporary hem solution. It also works for other impromptu repairs, like bulges between buttonholes or a low-plunging blouse.
