SUPPLIES & TOOLS:

- FolkArt Enamel: Magenta, Licorice, Wicker White, Baby Pink
- Wine glasses
- Scrap lace
- Liner brush
- 5/8" dauber
- Stencil tape
- Craft knife
- Pencil
- Toothpick
- Scissors
- Sand paper
- Rubbing alcohol

DIRECTIONS:

1. Wash glasses and then wipe with rubbing alcohol. Cover one side of the wine glasses with stencil tape. Overlap the edges of the tape as you go. Make sure there is enough coverage for the entire dress shape.
2. Using the pattern provided, trace the dress shape on each glass 1-1/2" from the lip of glass. Make the bridesmaid dress shorter than the brides.
3. Using the craft knife, cut out dress shape and remove. Using the dauber, paint the wedding dress Wicker White and the bridesmaid dresses with Magenta. Remove the tape while it is still wet.
4. Cut the toothpick in half with the scissors. Sand the cut edge so the edges are clean. Use this end to make the dot straps on each dress. For each strap make four dots on top of each other. Allow to dry.
5. Make a light grey by mixing the Licorice and the Wicker White together. Apply the lace to the dress as a stencil for the lace print. Paint the grey with the dauber. Using the liner brush, paint scrolls, horizontal stripes and vertical stripes on the bridesmaid dresses in Baby Pink.
6. Use the pattern provided paint the scrolled arms with liner brush on each dress. Allow to dry.
7. Add three black stems in between the hands. Allow to dry.
8. Make Magenta dots at the end of each stem. Make short paint strokes to form petals around the centers. Paint the brides flower Baby Pink and the bridesmaids Wicker White.
9. Using the toothpick paint the necklace around the neck in Wicker White.
10. Using the pattern provided paint the shoes Licorice and add flowers.
11. Add Wicker White loops to the bottom of the bridesmaid dresses using the liner brush.

12. Highlight the dresses and shoes with Wicker White and add Licorice outlines to the right side of dresses and neckline to add dimension.
13. Write the names in Licorice with liner brush.
