SUPPLIES & TOOLS:
- 1 Land of Whimzie® Fabric Quarter: Trendy Baby or Sweet Baby collection
- 7/8” button
- 1” Velcro® brand fastener
- 1½” yd medium rickrack
- Water soluble fabric marker
- Basic sewing supplies
- Iron and pressing surface
- Sewing machine

DIRECTIONS:
Finished Size: 9”x14”
Note: 1/4” seam allowance unless otherwise noted.
1. With right sides together, fold Fabric Quarter in half to measure 10½”x18”.
2. Print and tape bib template pieces together, referring to template for detailed instructions. Place template on top of folded fabric, pin in place and cut around shape. Remove template.

3. Place one cut bib piece right side up. Fold one end of rickrack back 1/4” and match to edge of fabric beginning at back of neck opening. Sew rickrack around outer edges of bib and by stitching down the center of the trim. When reaching the starting point, trim rickrack and fold back 1/4” and stitch in place.
4. Trim Velcro to 3/4” square. Using template as your placement guide, sew one portion of the Velcro piece where indicated in Diagram 3.

5. Place second cut bib piece right side up as shown. Again, using the template as your placement guide, sew remaining portion of the Velcro piece where indicated in Diagram.

6. Pin two bib pieces right sides together. Using the rickrack stitching lines as your guide, sew pieces together leaving a 6” opening on the straight side of bib as shown in Diagram 5. Clip curves. Turn bib to right side and press. Hand sew opening closed.

7. With right side of bib facing up, position button at center on flap and sew in place.
To construct baby bib template, cut out pieces A and B. Tape together to create a full-size template as shown.

Note: Line up solid lines, using dashed lines as overlap only.

Skill Level 2: Some experience necessary
Approximate Crafting Time: 2 hours

Please read and follow all manufacturers’ instructions for all tools and materials used.
Provide adult supervision if children participate in this project.
