## Name Cards

Courtesy of Ellison

### Supplies:

- Sizzix® Bigz™ Die: Decorative Accents #3
- Plain Paper: Bazzill
- Adhesive: Xyron
- Diamond Glaze: Judikins
- Glitter: Sparkle N Sprinkle

### Directions:

1. Apply Xyron adhesive to both sides of a piece of colored cardstock. Die-cut three Decorative Accents #3 from the cardstock.
2. Fold each Decorative Accent in half. Peel Xyron backing from one side of each Decorative Accent. Adhere half of each of the decorative Accents together. Adhere the third Decorative Accent to the remaining halves of the first two to create a dimensional Decorative Accent.
3. Remove the rest of the Xyron backing and cover the entire surface of the Decorative Accents with glitter.
4. On the computer, print the guest's name onto complementary-colored cardstock. Add diamond glaze over the printed name to give it glossy look. Place the finished card onto the dimensional Decorative Accent.
