

# S'more Witch & Pumpkin Totem

Courtesy of Jo-Ann Stores

Designed by Connie Glennon-Hall

*Your guests aren't the only ones in disguise at your costume party. Dress up some campfire favorites as Halloween decorations or party favors.*

## Supplies:

- Darice® Tub of Foamies (marshmallows)
- Foamie sheets:
  - Yellow
  - Orange
  - Purple
- Paint:
  - Orange
  - Red
  - Purple
  - Green
  - Black
  - White
- Chenille stems

## Tools:

- Scissors
- Tacky glue
- Glue dots, small
- Brushes:
  - Small angular
  - Detail

## Directions for Witch:

1. Paint two marshmallows purple; paint a face on the third marshmallow.
2. Paint one of the "carrot noses" green, trim to nose shape, and position on face.
3. Cut a triangle and a circle from a sheet of purple foamie and assemble hat with glue dots.
4. Cut an orange rectangle (hair) to fit around witch's head. Remove a section to create short bangs and then cut remainder of rectangle into thin strips, leaving the foam joined at one edge. Wrap around head and secure in back with glue dots. Attach hat to head.
5. Assemble witch and add stars to hat and robe.
6. Paint a chenille stem purple. When dry, cut and shape into arms. Dip one end in tacky glue and insert into body.
7. Cut a rectangle of yellow foamie (broom) and cut thin strips almost to the edge. Roll and secure with glue dots. Bend a chenille stem in half and twist for broomstick. Insert into center of broom bristles. Secure to witch's hand. Mount all on brown and tan foamie squares.

## Directions for Pumpkin Totem:

1. Paint three marshmallows orange. Add features with black and white paint.
2. Glue brown and tan foamies together and stack pumpkins on top. Curl a piece of chenille stem and insert in top of one pumpkin.
3. Paint several "carrot noses" green. Peel off backing and attach to pumpkin totem.

**Skill Level:** No experience necessary.

**Approximate Crafting Time:** 1 hr. each.

Due to the seasonal nature of project, supplies are available for a limited time only. Please read all instructions prior to beginning; read and follow all manufacturers' instructions for all tools and materials used.
