SIZE: One Size

Hat Fits average head (21-23" circumference)

Scarf 12"x54"

SUPPLIES & TOOLS:

- 3 skeins Lion Brand® Homespun® yarn
- Crochet Hook - Size K-10.5

GAUGE:

10 sc and 10 rows = 4".

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

Reverse single crochet is worked exactly like regular single crochet except going left to right instead of right to left. At the end of an sc row, if the next row is reverse sc, you do not turn, but twist your wrist and insert the crochet hook back into the stitch just finished, work a sc, and continue in this way back across.
