CONSTRUCTION

Lightly block all squares to 5"/13cm to ensure a perfect fit. Using a whip stitch or seaming technique of your choice, seam the squares together in the configuration illustrated below with CC2. Fold squares 12 and 13 up to meet squares 1 and 2. Square 8 will be folded in half horizontally. Using the colors and letters on the configuration as a guide, seam side A to side B, side C to side D, side E to side F, and so on. Squares 3 and 5 will be folded in half vertically.

Secure and weave in all ends.
