# Double Woven Throw

*Crochet this lush throw quickly... since you use your yarn doubled you'll feel like you are crocheting in half the time. Use two colors like we did, or two of the same color. Any way you do it, this is a pattern you will love!*

Throw measures 68" long x 45" wide (172.5 x 114.5 cm)

## Notes

Half double crochet cluster is worked over 2 consecutive stitches which could be 2 hdc, hdc cl and ch-1 space, or hdc cl and turning chain. Read instructions carefully for correct placement of this stitch.

## Special Stitches

**hdc cl** (half double crochet cluster) = Yarn over, insert hook in indicated st and pull up a loop (3 loops on hook), yarn over, insert hook in next st or space and pull up a loop (5 loops on hook), yarn over and draw through 2 loops (4 loops on hook), yarn over and draw through remaining 4 loops.

**reverse sc** (reverse single crochet) = Work single crochet in opposite direction from which you would usually work (left to right if you are right-handed and right to left if you are left-handed). This stitch is also known as crab stitch. It creates a rope-like twisted single crochet edging.
