COLLARED CARDI

NOTES:

1. Cardi is made in 5 pieces: Back, 2 Fronts, and 2 Sleeves.
2. All pieces are worked, back and forth in rows, from the lower edge upwards.
3. The collar is worked directly onto the neck edge.
4. A circular needle is used to accommodate sts. Work back and forth in rows on circular needle as if working with straight needles.
5. When you see 'as established' in the instructions, this means to continue in the current pattern st, lining up sts as in previous rows.
6. When you see work 'even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.

STITCH EXPLANATIONS

M1 (make 1) An increase worked by lifting the horizontal strand lying between needles and placing it onto the left needle. Knit this new stitch through the back loop - 1 st increased.

ssk (slip, slip, knit) Slip next 2 sts as if to knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them tog - 1 st decreased.
