TRICK  
OR TREAT

The text "TRICK OR TREAT" is rendered in a bold, black, hand-drawn font. The word "TRICK" is on the top line, and "OR TREAT" is on the bottom line. The "T"s in both words are particularly large and stylized. To the left of the "T" in "TRICK" and to the right of the "T" in "TREAT", there are several short, parallel lines radiating outwards, resembling rays of light or a burst of energy.
