Halloween Pumpkin Cuff

Guys and gals alike will enjoy this cool way to celebrate the Halloween season! This easy to crochet cuff features a pumpkin face that is worked in as-you-go using a simple intarsia method for changing colors.

Cuff measures 6" (15 cm) long and 2½"
(6.5 cm) wide.

Special Stitches

sc2tog = [Draw up a loop in next st] twice, yarn over and draw through all 3 loops on hook.

sc3tog = [Draw up a loop in next st] 3 times, yarn over and draw through all 3 loops on hook.

Note

1. Work tightly for a firm cuff.
2. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Drop old color to the wrong side. Proceed with new color. Do not cut old color. Carry old color evenly across wrong side of work when next needed.
3. Decreases, increases, and color changes are used to create the pumpkin face. Each row has the same number of decreases and increases, so the stitch count remains the same throughout.
