Illuminate Your Life!

No matter your passion — from sewing to scrapbooking and painting to photography — OttLite® 508 Illumination™ can illuminate your life so you can do what you love longer and more comfortably.

- See fine print and details clearly
- Reduce glare and eyestrain
- Show colors accurately
- Energy-efficient, earth-friendly

OttLite® lighting invigorates your creativity by providing a precise blend of contrast and brightness. Reduced glare and eyestrain, increased comfort and clarity — that’s a healthier way to see!

Energy Efficiency

OttLite® compact fluorescent bulbs are rated to last up to 10,000 hours, while Super Bright OttLite® battery-operated LEDs last up to 40,000 hours.

By reducing energy consumption with highly energy-efficient bulbs, tubes and LEDs, you can save on your electric bill while you help reduce harmful carbon dioxide emissions.
