

## festive potluck food storage containers

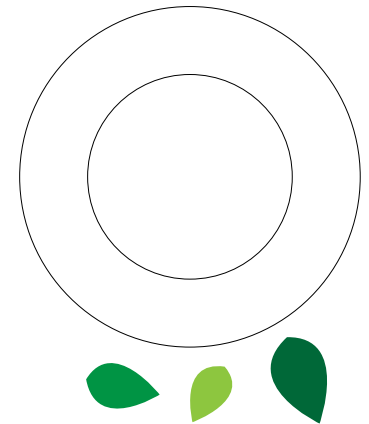

free

skill level 1

### SUPPLIES & TOOLS:

- Wreath pattern
- 8-1/2" x 11" piece of cardboard or poster board
- Velcro® Brand Poster Hangers with Removable Adhesive
- 1 sheet light green card stock
- 1 sheet medium green card stock
- 1 sheet dark green card stock
- 1 sheet red glitter card stock
- Craft glue or glue stick
- Paper scissors
- 1" hole punch
- Storage container with roughly a 7" x 7" lid working surface

### DIRECTIONS:

Note: increase or decrease the pattern size on a photocopier to fit storage lid size.

1. Cut out wreath base from cardboard or poster board.
2. Using the pattern provided, cut out leaves from card stock:
  - Cut 30 light green leaves from the smallest leaf pattern
  - Cut 30 medium green leaves from the medium leaf pattern
  - Cut 30 dark green leaves from the largest leaf pattern
3. Punch seven 1" berries from red glitter paper
4. Apply glue onto the back of a leaf and press firmly onto the cardboard wreath base. Repeat around the wreath working counter clockwise, alternating and layering colors and sizes. Arrange and glue the berries into place.
5. Turn the wreath over onto your working surface. Remove the release liner and press three Velcro® Poster Hanger Removable Adhesive circles onto the back of the wreath, evenly spaced. Press three Velcro® Poster Hanger Removable Adhesive wall side squares onto the circles.
6. Adhere wreath to the top of the storage container lid. To remove: Slowly and carefully peel pieces from lid.
