# Craft with Jo-Ann

### SUPPLIES & TOOLS:

- Crafter's Cafe Coordinating Embellishments: Glitterati 3 pack
- 12" FloraCraft white Plastifoam extruded ring
- 4 skeins cream color yarn: different textures
- 7/8" cream color satin ribbon
- Darice Craftywood: snowflakes
- 1 felt rectangle: cream
- Acrylic paint: silver metallic
- White craft glue
- Hot glue gun and glue sticks
- Small flat paintbrush
- Scissors
- Toothpick
- Pencil
- Palette

### DIRECTIONS:

1. Leaving a 6" tail, wrap yarn around wreath form as desired. Slide wraps close together. Continue wrapping back over the original wraps, making a second layer. Trim final yarn end to 6". Knot ends together on back of form. Trim yarn ends.
2. Repeat step 1 with all yarns and ribbon until wreath form is full.
3. Add extra wraps of yarn over ribbon if desired.
4. Paint front and sides of three medium snowflakes silver. Let dry.
5. Brush a coat of white glue over front of snowflake. Sprinkle glitter on while glue is wet. Shake off excess. Repeat with remaining snowflakes. Set aside to dry.
6. Make felt flowers. Trace ribbon spool six times on felt. Cut out. Cut a spiral on one circle starting from the outside, keeping the spiral width about 3/4". Starting at center, wrap spiral around and under center, forming a loose flower. Repeat for remaining five circles.
7. Hot glue flowers to wreath. Add button centers. Use white glue to add a gem to center of each button.
8. Hot glue snowflakes in between flowers.
9. Glue gems around wreath. Squeeze glue onto palette. Apply glue to backs of gems with toothpick. Set gem in place. Repeat for as many gems as desired.
10. Cut 10" length of ribbon. Fold in half, hot glue ends to back of wreath at top for hanger.
