Bias Tape Machine

**SIMPLICITY® FELTING MACHINE**

Meshes fiber and fabric together with one to 12 needles. Machine felting eliminates stress on hands and wrists for fun, easy felting!

- Uses 12 barbed needles to mesh fabrics together. Remove some needles to customize embellishing area
- Requires no threading or sewing; fibers mesh to create new color and texture combinations
- Includes needles, Allen wrench, brush, tweezers, transparent presser foot, needle guard, built-in light bulb
- Built-in lint drawer, accessory drawer and carrying handle
- Presser foot height adjustment
- Deluxe Extension Table
- Electronic foot control, universal power supply
- For household use only
- 90-day limited warranty against manufacturer's defects

The Felting Machine

## SIMPLICITY® SIDEWINDER™

Use to fill several bobbins before beginning to sew, save time and limit rethreading.

- Battery-operated or plug-in
- Works with most bobbins
- Automatic shut-off when the bobbin is full
- Compact for easy storage
- Portable to take to class
- 90-day limited warranty against manufacturer's defects

SideWinder™

## SIMPLICITY® DELUXE SIDEWINDER™

Offers the same ease of use and practicality as the SideWinder™, with additional features for the high-volume sewing enthusiast.

- Interchangeable bobbin spindles hold bobbins for all sewing, embroidery & long-arm quilting machines
- Tension control accommodates various thread weights
- Variable speed control avoids stretching threads
- Can wind from cones
- Two integrated storage compartments for bobbins & thread
- Telescopic guide adjusts to spool heights
- Integrated thread cutter
- 90-day limited warranty against manufacturer's defects

Deluxe SideWinder™

### ACCESSORIES (sold separately)

- Deluxe SideWinder™ Spindles
- Bobbin storage case
- 12-pk plastic bobbins for embroidery floss

## SIMPLICITY® ROTARY CUTTER

A must-have item for sewers, quilters, scrapbookers, papercrafters and more. Additional blades are available, each with a different decorative cutting effect, to add a whole new creative element to cutting.

- Cuts quickly, accurately and easily
- Cuts paper, card, fabric, felt, fleece, vinyl and more
- Circular blades cut via pressure, so they stay sharp, last longer and pose no danger to fingers
- Foot-pedal operated keeping hands free to guide fabric
- Adjustable cutting guides from 3/8" to 2 3/4"
- Straight and pinking blades included
- 90-day limited warranty against manufacturer's defects

## SIMPLICITY® WINDER

Wind flat strips of fabric onto a spindle compatible with the Simplicity® Bias Tape Maker. After winding flat strips onto a spindle, place it in the cradle of the Bias Tape Maker to make single fold bias tape and fold quilt binding in half. The Winder runs at the same speed as the Bias Tape Maker; it will wind the fabric onto a spindle as it comes off the Bias Tape Maker. 90-day limited warranty against manufacturer's defects.

Storage Container

### ACCESSORIES (sold separately)

- Winding Buddy
- Winding Buddy Storage Bin

## SIMPLICITY® DELUXE BIAS & PIPING MACHINE

Takes the original Bias Machine to a new level with speed control and a Teflon® iron surface. In addition to making bias tape, this deluxe machine covers piping cord.

- Cover piping with fabric to match cording for pillows & other home decor projects
- Cording, fabric and the proprietary fusible web are threaded into the machine, pass through a guide, then under a heating element to melt the web and secure the cording inside the fabric
- Covers cord from 4/32" to 16/32"
- Machine accommodates lightweight cottons to heavier home decor fabric
- Each size cording has its own guide, no adjustments necessary
- 90-day limited warranty against manufacturer's defects

### ACCESSORIES (sold separately)

Fusible Film, 12 yards

Piping Cords:

- 8/32"
- 6/32"
- 4/32"

Piping Tip & Iron Covers:

- 8/32"
- 6/32"
- 4/32"
