

Supplies:

- 1-2 3/4 yds. fleece
- 2 spools 1 1/8" wide Spool 'o Ribbon
- Large-eyed silk ribbon/embroidery needle
- Sharp awl or ice pick
- Fabric glue or needle & thread

Directions:

1. Using very sharp scissors or rotary cutting equipment cut the fleece into a 56" square.
2. Whipstitch evenly at 1 1/2" intervals around all edges using the 1 1/8" wide ribbon. This is easiest if you first punch a hole with the awl and then push needle through.
3. Secure ribbon ends with glue or a few stitches with needle and thread instead of a knot.
4. Fold wrap in half diagonally to wear.

Skill Level: No experience needed

Due to seasonal nature of project, supplies are available for a limited time only. Please read all instructions prior to beginning; read and follow all manufacturers' instructions for all tools and materials used. Provide adult supervision if children participate in this and all craft projects.
